Mr. Francis T. Mayo
Regional Administrator
Region Five
U. S. Environmental Protection Agency
230 South Dearborn Street
Chicago, Illinois 60604

Dear Mr. Mayo:

This letter is in reference to the United States Steel Corporation's applications for Department of the Army permits 4477305 and 4427402, to conduct maintenance dredging at the Gary Works Plant, Gary, Indiana, and for maintenance, new dredging and the placement of riprap at the South Works Plant, Chicago, Illinois.

In compliance with existing Corps policy, we are required to give the Regional Administrator, Environmental Protection Agency, fifteen days advance notice of our intent to issue permits for the discharge or dumping of dredged or fill material in navigable or ocean waters. This letter will serve to give notice of our intent to issue the subject permits.

Sincerely yours,

JAMES M. MILLER
Colonel, Corps of Engineers
District Engineer
